Health sector emergency report

For the 238th day of aggression

Friday, May 31, 2024

Preparation

Health Emergency Operations Center,

Palestinian Ministry of Health - Gaza Strip

1/06/2024

Report preparation methodology

- Below are the most important aspects of the daily emergency report for the health sector, and it reflects a summary of the work progress in the Ministry of Health, including an update on the work of the past 24 hours.
- The report is prepared and the data is verified on an ongoing basis through teams specialized in information systems and health data management, which reach across government and private hospitals, field hospitals, and other relevant public administrations.
- Definitions:
 - The martyrs whose information is complete are the martyrs listed in the records of the Ministry of Health from Mustakamli Data such as (ID number, full name, gender, date of birth).
 - Martyrs whose data is not complete are those whose data is missing, such as (identity number, full name, Gender, date of birth, date of martyrdom).
- Martyrs are those who died as a direct result of the occupation's attacks, and do not include natural deaths and those banned from traveling.

**First: Summary of the report**

- Israeli violations against the health system and its capabilities and cadres are still continuing, as dozens of institutions have been damaged. Health cited more than **493** Health personnel and medical professionals were arrested **310** Of them at least.
- The number of health institutions targeted (partially and completely) since the beginning of the aggression has reached **155** Foundation, where this led to the output **27** hospital **And 53** A health center for service, targeting and destroying more than **130** Ambulance.
- The number of travelers from the Gaza Strip for treatment abroad via the Rafah crossing reached **6,645** The crossing stopped operating on **7/5/2024** Until now as a result of its closure by the Israeli occupation forces.
- The total number of martyrs for today reached **95** One martyr, while the total number of wounded reached a number **three hundred fifty**.
- The cumulative number of martyrs since the beginning of the aggression reached **36,379** A martyr, one of them **25,513** Their data Completed with the Ministry of Health, In addition to **10,866** A martyr with incomplete data. The number of wounded exceeded more than **82,407** wounded.

- The cumulative number of ambulance services reached more than **10,680** Important since the beginning of the aggression.
- Governmental primary care centers continue their work despite the obstacles, the running out of medicines, the scarcity of water, and the lack of security and safety, as it has reached Total visits since the beginning of the aggression **15,20389** Classified **%85** Including emergency services.
- A number has been registered **1,477,748** He was infected with infectious diseases since the beginning of the aggression.
- **The most prominent events related to the health system during the...Previous 24 hours:**
 - The World Health Organization coordinated a medical team to arrive in the Gaza Strip carrying life-saving medicines, but unfortunately the occupation confiscated all the medicine bags in a new crime that clearly reveals the occupation's intention to eliminate Palestinian patients and undermine the Palestinian health sector.
 - The western and northern walls of the Indonesian Hospital were destroyed, and there were casualties on the second and third floors. As a result of the bombing in the vicinity of the Indonesian Hospital, there was damage to the hospital's false ceilings. Destruction of the main electrical generator of Kamal Adwan Hospital, as well as the destruction of the fuel depot that was obtained with support from the World Health Organization.
 - As for Al Awda Hospital, there were shells that fell on the fourth floor of the hospital, and the hospital is still working to receive patients and injured people. As for the Indonesian Hospital, work is underway to operate it within the next 24 hours.

- The Palestinian Ministry of Health calls on all international institutions and concerned parties to open the Gaza Strip crossings and facilitate the exit of the sick and wounded for treatment abroad.
- The number of massacres against families in the Gaza Strip reached Friday (05/31) 5 Massacres, bringing the total massacres since the beginning of the aggression 3,265 massacre.

The cumulative number of martyrs since the beginning of the aggression reached **36,379** A martyr, one of them **25,513** Their data must be completed with the Ministry of Health, in addition to **10,866** Martyrs whose data is incomplete.

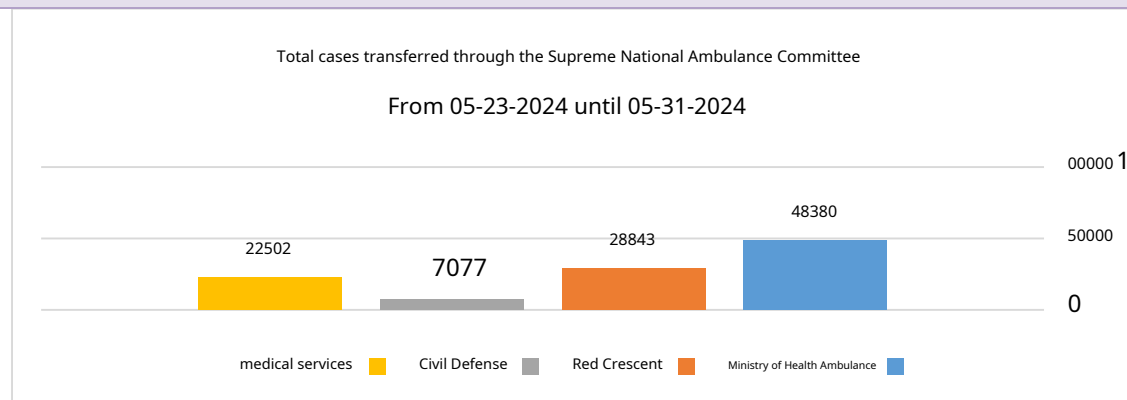

- The cumulative number of wounded since the beginning of the aggression has reached **82,407 wounded** **56,099** Some of them have complete data

Ministry of Health, in addition **26,308** Wounded persons who do not meet the data.

Number of ambulance missions (cumulative)					
	Ministry of Health (Hahlethe Ambulance Authority)	Red Crescent Palestinian	Defense Civil	Services Medical	Total
Martyrs	9988	6526	2082	6676	24282
Injuries	38293	22317	4995	15826	82520
Cumulative total	38084	28843	7077	22502	106802
