Health sector emergency report

For the 235th day of aggression

Tuesday, May 28, 2024

Preparation

Health Emergency Operations Center,

Palestinian Ministry of Health - Gaza Strip

05/29/2024

Report preparation methodology

- Below are the most important topics of the daily emergency report for the health sector, and it reflects a summary of the work processes in the Ministry Health, including an update on work for the past 24 hours.
- The report is prepared and the data is verified on an ongoing basis through specialized teams in information systems and management Health data that arrives through government and private hospitals, field hospitals, and other relevant public administrations.
- Definitions:
 - ✓ The martyrs whose information is complete are the martyrs listed in the records of the Ministry of Health who are complete Data such as (ID number, full name, gender, date of birth).
 - ✓ Martyrs whose data is not complete are those whose data is missing, such as (ID number, full name, Gender, date of birth, date of martyrdom).
- Martyrs are those who died as a direct result of the occupation's attacks, not including natural deaths And forbidden to travel.

**First: Summary of the report**

- Israeli violations against the health system and its capabilities and cadres are still continuing, as dozens of institutions have been damaged. Health cited more than **493** Health personnel and medical professionals were arrested **310** Of them at least.
- The number of health institutions targeted (partially and completely) since the beginning of the aggression has reached **155** Foundation, where this led to the output **27** hospital **And 53** A health center for service, targeting and destroying more than **130** Ambulance.
- The number of travelers from the Gaza Strip for treatment abroad via the Rafah crossing reached **6,645** The crossing stopped operating on **7/5/2024** Until now as a result of its closure by the Israeli occupation forces.
- The total number of martyrs for today reached **75** One martyr, while the total number of wounded reached a number **284**.
- The cumulative number of martyrs since the beginning of the aggression reached **36,171** A martyr, one of them **25,347** Their data Completed with the Ministry of Health, In addition to **10,824** A martyr with incomplete data. The number of wounded exceeded more than **81,420** wounded.
- The number of reports via the electronic link launched by the Ministry of Health in Gaza reached (5- January 2024) to report martyrs and missing persons **3,715** Report.
- The cumulative number of ambulance services reached more than **10,6802** Important since the beginning of the aggression.
- Government primary care centers continue their work despite the obstacles, the running out of medicines, the scarcity of water, and the lack of security and safety. Total visits since the beginning of the aggression **15,20389** Classified **%85** Including emergency services.
- A number has been recorded **1,477,748** He was infected with infectious diseases since the beginning of the aggression.

■ **The most prominent events related to the health system during the...Previous 24 hours:**

- In light of the continuation and expansion of the barbaric Israeli incursion into Rafah Governorate and its deliberate targeting of many Hospitals and primary care centers in the governorate were severely damaged. We point out that the Emirati Al Hilal Hospital (Maternity) was directly targeted, and thus it is subject to evacuation and threatened with being out of service, which threatens the health system in Rafah governorate by causing all government hospitals and primary care centers to go out of service.
- We appeal to children's and women's organizations, especially UNICEF, to intervene immediately and urgently to stop The barbarism of the occupation and the targeting of humanitarian institutions.
- Last night, Rafah Governorate was subjected to a new episode of bloody massacres, in which a victim was claimed **31** Martyr and **64** wounded.
- The number of massacres against families in the Gaza Strip on Tuesday reached (28/05) **6** Massacres, bringing the total massacres since The beginning of aggression **3,255** massacre.

Second: Report of martyrs and casualties

Martyrs report

- The number of martyrs reached during last 24 hours **75** A martyr.
- The cumulative number of martyrs since the beginning of the aggression reached **36.171** A martyr, one of them **25.347** Their data is complete At the Ministry of Health, in addition **10.824** Martyrs whose data is incomplete.

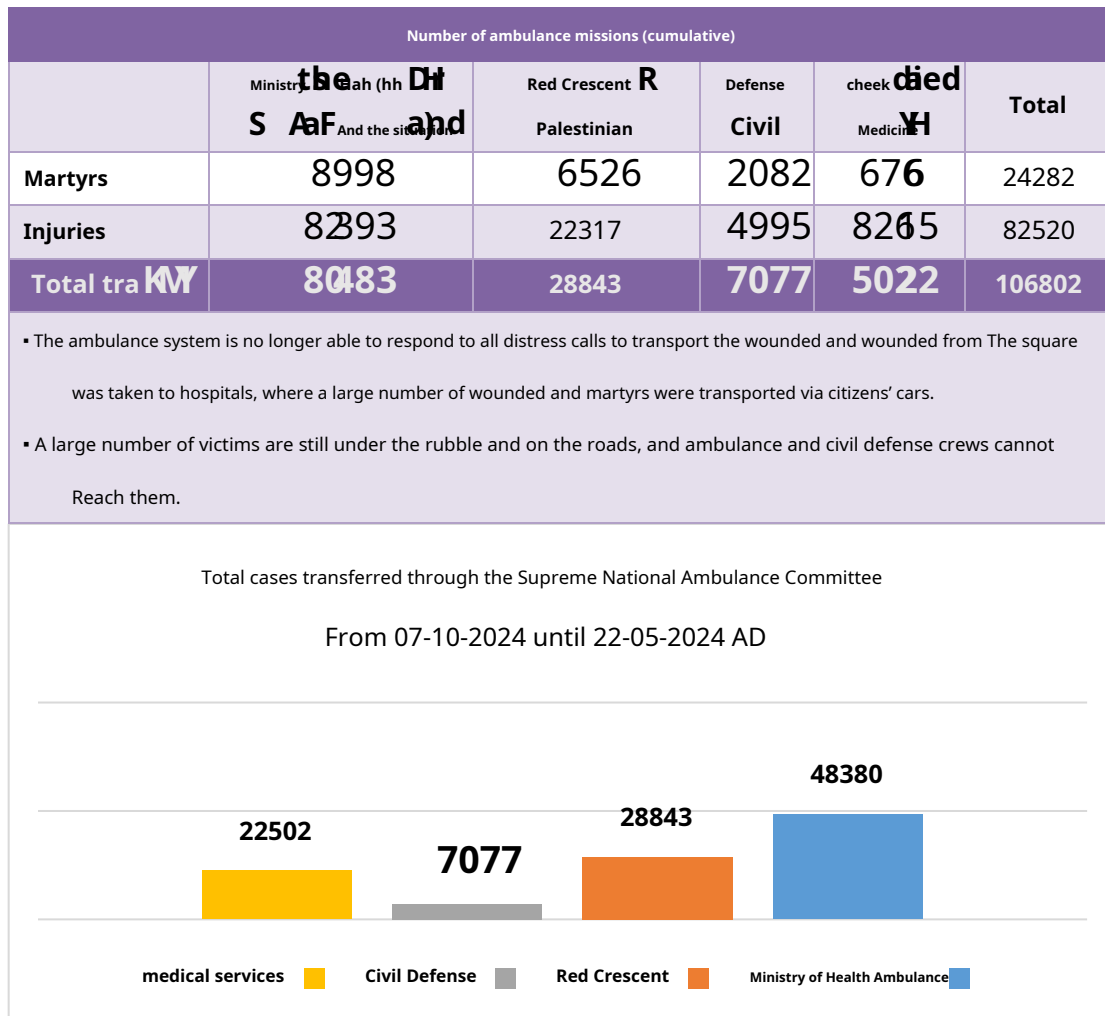

Report of the wounded

- The number of wounded reached during last 24 hours **284** wounded.
- The cumulative number of wounded since the beginning of the aggression has reached **81.420** wounded **55.176** Some of them have complete data Ministry of Health, in addition **26.244** Wounded persons who do not meet the data.
