## **Health sector emergency report**

**For the 249th day of aggression**

**Tuesday, June 11, 2024**

**Preparation**

**Health Emergency Operations Center,**

**Palestinian Ministry of Health - Gaza Strip**

06/12/2024

**Report preparation methodology**

- Below are the most important aspects of the daily emergency report for the health sector, and it reflects a summary of the work progress in the Ministry of Health, including an update on the work of the past 24 hours.
- The report is prepared and the data is verified on an ongoing basis through teams specialized in information systems and health data management, which reach across government and private hospitals, field hospitals, and other relevant public administrations.
- Definitions:
  - The martyrs whose information is complete are the martyrs listed in the records of the Ministry of Health from Mustakamli Data such as (ID number, full name, gender, date of birth).
  - Martyrs whose data is not complete are those whose data is missing, such as (identity number, full name, Gender, date of birth, date of martyrdom).
- Martyrs are those who died as a direct result of the occupation's attacks, and do not include natural deaths and those banned from traveling.

## First: Summary of the report

- Israeli violations against the health system, its capabilities and cadres, are still continuing, as dozens have been damaged.

Health institutions cited more than **498** Of the health personnel and medical professionals, they were arrested

**310** Of them at least.

The targeting of health centers and hospitals by the Israeli occupation forces led to the expulsion of... **22** Hospital out **38**

Governmental and private hospital **Where he stayed 16** Of which Only works partially, as it led to an output **64** health center -

Out of **90** Center- for service and destroy more than **130** Ambulance..

- The total number of requests for treatment abroad **25,000** A request, while the number of those who obtained coordination and approval to travel reached a number

**6.645** While the number of those who were able to travel outside the Gaza Strip reached **4.895** Just wounded and sick. In addition to stopping

The crossing is no longer open as a result of its closure by the Israeli occupation forces since 5/7/2024.

- The total number of martyrs for today reached **38** One martyr, while the total number of wounded reached a number **100**.

The cumulative number of martyrs since the beginning of the aggression reached **37,202** A martyr, one of them **27,353** Their data is updated with the Ministry

Health, in addition **9,849** A martyr with incomplete data. The number of wounded exceeded more than **8,493** wounded.

- The number of reports via the electronic link launched by the Ministry of Health in Gaza on (5- January 2024) to report on

Martyrs and missing persons **4.814** Report.

- The cumulative number of ambulance services reached more than **10,680** Important since the beginning of the aggression.

- Governmental primary care centers continue their work despite the obstacles, the running out of medicines, the scarcity of water, and the lack of security and safety

The total number of visits since the beginning of the aggression reached **1,562,558** Classified **%85** Including emergency services.

- A number has been registered **1,477,748** He was infected with infectious diseases since the beginning of the aggression.

– **The most prominent events related to the health system during the...Previous 24 hours:**

- In light of the continued brutal Israeli aggression against the Gaza Strip and its control over the crossings.

1. The only oxygen station in the Gaza Governorate is at risk of stopping due to the lack of diesel.
2. Dialysis services in Gaza Governorate are at risk of stopping due to the lack of fuel.
3. Hospitals and health centers in Gaza Governorate and the pharmaceutical warehouse are about to stop as a result  
Unavailability of fuel
4. The remaining ambulances are at risk of stopping completely due to the lack of fuel.

We appeal to the Ministry of Health to all concerned, international and humanitarian institutions to intervene and quickly introduce

The necessary fuel, in addition to electrical generators and spare parts needed for maintenance.

– **Occupation massacres against families in the Gaza Strip**

The number of massacres against families in the Gaza Strip on Tuesday reached (06-11) 03 massacres, bringing the total massacres

Since the beginning of the aggression **3,322** massacre.

## Second: Report of martyrs and casualties

### Martyrs report

- The number of martyrs reached during last 24 hours **38** A martyr.

The cumulative number of martyrs since the beginning of the aggression reached **37,202** A martyr, one of them **27,353** Their data must be completed with the Ministry of Health, in addition to **9,849** Martyrs whose data is incomplete.

### Report of the wounded

- The number of wounded reached during last 24 hours **100** wounded.

- The cumulative number of wounded since the beginning of the aggression has reached **84,932** wounded **58,431** Some of them have complete data Ministry of Health, in addition **26,501** Wounded persons who do not meet the data.

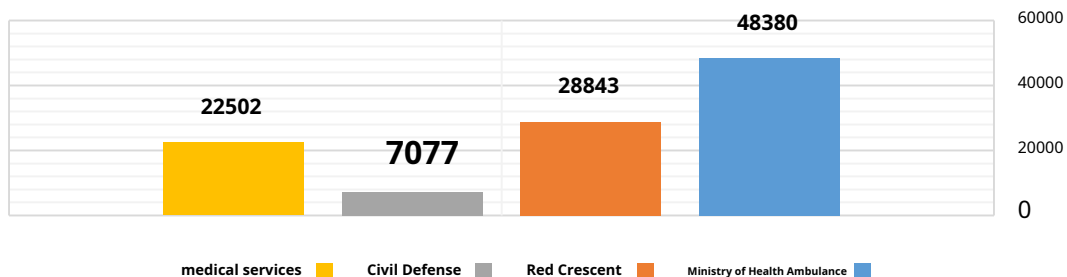

## Third: Ambulance and emergency

Number of ambulance missions (cumulative)					
	Ministry of Health (Ambulance and Emergency Services)	Red Crescent Palestinian	Defense Civil	Services Medical	Total
Martyrs	<b>998</b>	<b>6526</b>	<b>2082</b>	<b>6676</b>	<b>24282</b>
Injuries	<b>8293</b>	<b>22317</b>	<b>4995</b>	<b>15826</b>	<b>82520</b>
Cumulative total	<b>9083</b>	<b>28843</b>	<b>7077</b>	<b>22502</b>	<b>106802</b>

- The ambulance and emergency system is no longer able to respond to all calls and missions to transport the wounded The injured are transported from the field to hospitals, between hospitals and to and from the crossings, due to the following challenges:

- Targeting ambulances by the occupation and neutralizing a number (126) Ambulance out of service.
- Dozens of ambulance officers and paramedics were arrested while carrying out their ambulance duties.
- Fuel scarcity, especially gasoline, in addition to the severe shortage of diesel.
- A number of ambulances stopped due to the lack of spare parts needed to maintain the cars.
- Destruction of many ambulance centers and stations.

Cumulative cases transmitted through the National Ambulance Committee

**!**  
**Fourth: Primary care at the Ministry of Health**

- The number of visits during the...previous 24 hours **9,812** Visit (without numbers of visits in northern Gaza).

06/11/2024

Centers operating during the emergency period

<b>Total daily</b>	13	514	9812	8157	1701	314	140	373	0
<b>Ajma</b>	cumulative since the beginning		6255815	0984113	239981	63116	24956	48302	5741

**Obstacles:**

1. A shortage of medical supplies and consumables with a lack of strategic stock in primary care, and a shortage of primary care items of more than 60% of the basic list of primary care medications, in addition to a severe shortage of laboratory materials and a shortage of some medical devices.
2. Power outages and fuel scarcity in health centers.
3. Intense pressure from those visiting health centers due to the displacement of citizens from the north of the valley to the south.
4. There is a problem in providing a car to the Rafah and Khan Yunis areas, which hinders the work of the district health departments and the field work of the preventive medicine and environmental health teams.
5. Many health centers in the Khan Yunis area were damaged, hindering the provision of health services to citizens.

**!**  
**Fifth: Cumulative infectious diseases report from the beginning of the aggression until the date of (05/12/2024)**

- Monitored and recorded **1,477,748** Infectious condition in governmental and non-governmental primary care centers And the relief agency.
- Of which **71.338** A case of hepatitis C type infection As a result of the severe overcrowding in shelter centers and low levels of hygiene in places of displacement in the Gaza Strip.
- A survey of infectious diseases was not conducted in all shelter centers and gathering places for displaced people due to the bombing The continuous and dangerous movement of human staff.

Eighth: Laboratories and blood banks

- A detailed table of blood units and laboratory materials available in hospitals 06/11/2024
