Health sector emergency report

For the 248th day of aggression

Monday, June 10, 2024

Preparation

Health Emergency Operations Center,

Palestinian Ministry of Health - Gaza Strip

06/11/2024

Report preparation methodology

- Below are the most important aspects of the daily emergency report for the health sector, and it reflects a summary of the work progress in the Ministry of Health, including an update on the work of the past 24 hours.
- The report is prepared and the data is verified on an ongoing basis through teams specialized in information systems and health data management, which reach across government and private hospitals, field hospitals, and other relevant public administrations.
- Definitions:
 - The martyrs whose information is complete are the martyrs listed in the records of the Ministry of Health from Mustakamli Data such as (ID number, full name, gender, date of birth).
 - Martyrs whose data is not complete are those whose data is missing, such as (identity number, full name, Gender, date of birth, date of martyrdom).
- Martyrs are those who died as a direct result of the occupation's attacks, and do not include natural deaths and those banned from traveling.

First: Summary of the report

- Israeli violations against the health system, its capabilities and cadres, are still continuing, as dozens have been damaged.

Health institutions cited more than **498** Health personnel and medical professionals were arrested

310 Of them at least.

The targeting of health centers and hospitals by the Israeli occupation forces led to the expulsion of... **22** Hospital out **38**

Governmental and private hospital **Where he stayed 16** Of which Only works partially, as it led to an output **64** health center -

Out of **90** Center- for service and destroy more than **130** Ambulance..

The total number of requests for treatment abroad **25,000** A request, while the number of those who obtained coordination and approval to travel reached a number

6.645 While the number of those who were able to travel outside the Gaza Strip reached **4.895** Just wounded and sick. In addition to stopping

The crossing is no longer open as a result of its closure by the Israeli occupation forces since 5/7/2024.

- The total number of martyrs for today reached **40** One martyr, while the total number of wounded reached a number **120**.

The cumulative number of martyrs since the beginning of the aggression reached **37,164** A martyr, one of them **27,325** Their data is updated with the Ministry

Health, in addition **9,839** A martyr with incomplete data. The number of wounded exceeded more than **8,483** wounded.

Martyrs and missing persons **4.814** Report.

- The cumulative number of ambulance services reached more than **10,680** Important since the beginning of the aggression.

- Governmental primary care centers continue their work despite the obstacles, the running out of medicines, the scarcity of water, and the lack of security and safety

The total number of visits since the beginning of the aggression reached **1,552,746** Classified **%85** Including emergency services.

- A number has been registered **1,477,748** He was infected with infectious diseases since the beginning of the aggression.

– The most prominent events related to the health system during the...Previous 24 hours:

- During hours, the only oxygen station in Gaza Governorate, which supplies health facilities and patients

Chronic access to oxygen is threatened with complete cessation, endangering the lives of dozens of sick and injured people

To inevitable death, in addition to the exposure of medicines in refrigerators to damage because diesel is not included for operation

The generator feeding the oxygen station and refrigerators for storing medicines.

We appeal to the Ministry of Health to all concerned, international and humanitarian institutions to intervene quickly.

- An appeal to international institutions and concerned parties to work on introducing electric generators and fuel to...

Gaza Strip, as it is not available in the local market at all as a result of the occupation preventing its entry, in addition to cutting it

Spare parts needed to repair some of them

– Occupation massacres against families in the Gaza Strip

The number of massacres against families in the Gaza Strip on Monday reached (06-10)03Massacres, for a total

Massacres since the beginning of the aggression3.319massacre.

Second: Report of martyrs and casualties

Martyrs report

- The number of martyrs reached during last 24 hours **40** A martyr.

The cumulative number of martyrs since the beginning of the aggression reached **37,164** A martyr, one of them **27,325** Their data is complete At the Ministry of Health, in addition **9,839** Martyrs whose data is incomplete.

Report of the wounded

- The number of wounded reached during last 24 hours **120** wounded.

- The cumulative number of wounded since the beginning of the aggression has reached **84,832** wounded **58,346** Some of them have complete data Ministry of Health, in addition **26,486** Wounded persons who do not meet the data.

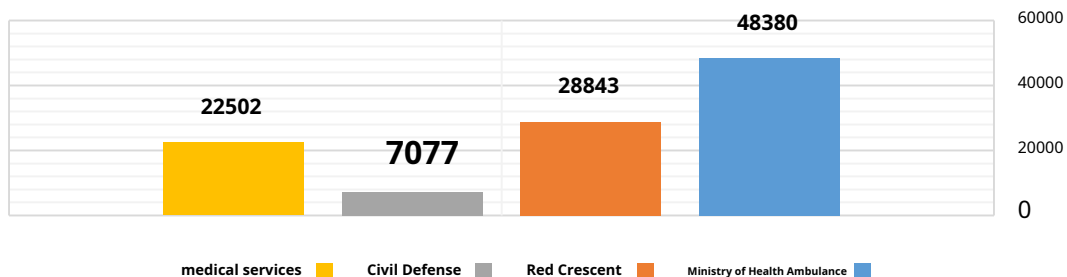

Third: Ambulance and emergency

Number of ambulance missions (cumulative)					
	Ministry of Health (Ambulance and Emergency Services)	Red Crescent Palestinian	Defense Civil	Services Medical	Total
Martyrs	998	6526	2082	6676	24282
Injuries	8293	22317	4995	15826	82520
Cumulative total	9083	28843	7077	22502	106802

- The ambulance and emergency system is no longer able to respond to all calls and missions to transport the wounded The injured are transported from the field to hospitals, between hospitals and to and from the crossings, due to the following challenges:

- Targeting ambulances by the occupation and neutralizing a number of (126) Ambulance out of service.
- Dozens of ambulance officers and paramedics were arrested while carrying out their ambulance duties.
- Fuel scarcity, especially gasoline, in addition to the severe shortage of diesel.
- A number of ambulances stopped due to the lack of spare parts needed to maintain the cars.
- Destruction of many ambulance centers and stations.

Cumulative cases transmitted through the National Ambulance Committee

**Fourth: Primary care at the Ministry of Health**

- The number of visits during the...previous 24 hours **10,895** Visit (without numbers of visits in northern Gaza).
