Emergency report number (59)

The medical section

Monday, December 11, 2023

Preparation

Health Emergency Operations Center

Palestinian Ministry of Health - Gaza Strip

12/12/2023

Report topics

24- A comprehensive, Below are the most important aspects of the daily report of events and reflects a summary of work progress in the Ministry of Health hour update for Monday, 12/11/2023.

the report. :summaryFirst

• Israeli violations against the health system's capabilities and personnel are still continuing, as dozens have been damaged.

Health institutions and more than 300 cadres and medical professionals were martyred. 137 institutions, as this led to (since the beginning of the aggression

And totally The number of targeted health institutions reached

(partially putting 22 hospitals and 52 health centers out of

service). • The number of people referred from the Gaza Strip for treatment abroad via the Rafah crossing reached 658 (444 wounded, 214 sick).

The number of escorts has been 504 since the beginning of the aggression.

• The total daily number of martyrs (Monday 12/11/2023) reached 207 martyrs, while the total number of wounded reached

Half of them were seriously injured. Daily number 450

• The cumulative number of martyrs since the beginning of the aggression until 12/11/2023 reached 18,412 martyrs, 70% of whom were children and women (14,269 of whom were registered through the central information system, while more than 4,143 martyrs were monitored

According to reliable media sources, due to the interruption of communication with hospitals in Azza and the North), the number of

More than 50,095 wounded. • The bed

occupancy rate in all hospitals reached more than 220 %, and the intensive care bed occupancy rate reached

.236 %

• The Ministry of Health, through its hospitals and medical centers, continues to provide non-emergency services despite the burden

There was intense pressure as a result of the brutal aggression, as the total number of operations reached 5,639 in southern

hospitals, and the number of patients attending dialysis units in southern hospitals piled up, with their number today reaching more

than 331 patients. The maternity service also continued despite the increased pressure due to the displacement of residents from the areas.

North.

• Primary care recorded the number of people infected with infectious diseases, as it reached from the beginning of the aggression until the date of

12/9/2023: 325,179 cases.

• The cumulative number of ambulance services has reached more than 52,232 ambulance services since the beginning of the aggression. • Governmental primary care centers continue to work despite the obstacles, the lack of medicines, water and food, and the lack of security.

And safety, as the total number of visitors since the beginning of the aggression reached 360,741 , 78% of which were classified as emergency services.

• The Supreme Committee for Health Emergencies continues its tasks in managing the health system in coordination with partners and

international bodies and in cooperation with local health institutions.

Secondly, attacks and violations of the health sector

İ Israeli violations against the health system led to the martyrdom of 300 health personnel and owners.

Medical expertise and more than 350 injured (list of names attached).

aggression, 137 institutions have been partially or completely targeted. İ The number of health institutions reached İ The hospitals and 52 medical centers.

Israeli occupation deliberately targeted health institutions, which led to the removal of 22

Medical personnel were out of service due to targeting and running out of fuel.

İ Hospitals have lost their treatment and capacity, and medical staff are treating the wounded with very limited capabilities.

The occupation deliberately targets ambulances, the most recent of which was the targeting of an ambulance march transporting injured İ people heading to the Arab Republic of Egypt. This led to the destruction of more than 102 ambulances and their being out of service.

Third: The wounded are outConversion
